For the week beginning 16th January 2012

From the Headmaster:

It has been lovely to see so many happy children back in school. Year 6 pupils have been working hard and were in before term started, revising with Miss Karol-An and Miss Susan. We wish them all the best for their exams.

We have a good variety of clubs this term and record numbers have signed up. Please find the lists overleaf. However, we do realise that the signing up for clubs was too cramped and frantic and are looking at finding ways of improving this next term and beyond. My apologies. I look forward to letting you know how this will be managed next term.

The Olympic torch assembly on Thursday was great fun and I am very grateful to Gordon Lott for bringing in the gold plated version of the Olympic torch and talking to the children. The themes of friendship, unity and peace echo well in any school. We are delighted that Mr Anthony will be representing us all as he takes part in the Olympic torch relay in the run up to the Olympics.

Two reminders:

Firstly, the playground at 3.30pm: next week, as clubs start, please do not wait in the playground with your children at the end of the school day between 3.30pm and 4pm. Please use the Small Hall for reading and sitting in the warmth with your Lower School children or sign them up for Sibling Room. Our school day ends at 4pm.

Finally, no parking in Wandle Road please. We shall be patrolling the Road as usual.

Mr Anthony to carry the Olympic torch

Finton House is very proud to announce that one of our teachers has been selected to be a torchbearer for the London 2012 Olympic Games!

Mr Anthony is one of the 8000 amazing people who will carry the flame, lit by the sun's rays at the temple of Hera in Olympia, Greece, and brought to the Olympic Park in London in July. Details will follow.

Yesterday, Mr Lott (Amelia's daddy) brought the Olympic torch to Finton House especially for the announcement.

Look out for more news and photos on the Olympic noticeboard in the small hall.
